We will not have any summer workouts, all workouts will begin in the fall of 2018

Softball is a Spring sport in high school. Our official start of season will be February 9, 2019, but tryouts will be done in the fall. By starting so early we can get all of our teams decided before the start of winter sports so there is no conflict for winter sports athletes.

Tryouts for the 2018-19 will be on the following dates

9/11 and 9/12 2:45 -4:30 First round of tryouts with all new players

9/18 and 9/19 2:45 - 4:30 Second round - Players kept from first round of cuts (Approx 30 players)

9/25 and 9/26 2:45 - 4:30 Final cuts - All new players kept and returning players together.

9/28 posting of all players kept in the program.

Feel free to contact me if you need more information on tryouts.

All players will be **MUST** have a physical completed before they can tryout or be placed into 6<sup>th</sup> period athletics.

Thanks,

Coach Lindensmith
